

Grade: Grade 1

Add & Play Treasure Hunt

Focus: Counting · Addition within 20 · Word Problems

1. Olivia found 6 shells and picked up 4 more. How many shells does she have?
2. Noah has 7 cars and gets 3 new ones. Total = ?
3. Mia baked 8 muffins and ate 2. How many left?
4. Write two numbers that add up to 10.
5. Count on from 13 to 20 — how many numbers did you say?
6. Add $9 + 5 = ?$
7. Liam found 15 coins. He gave 5 away. How many left?
8. Draw a group of 10 apples. Add 3 more. How many total?
9. Complete: $8 + \underline{\quad} = 12$.
10. Aria had 4 stickers Monday and 6 Tuesday. How many now?

Tutoring Tip:

Use counters or coins so children can see how numbers join and split.
