

Grade: Grade 3 · Mathematics

Area & Perimeter Explorers

Focus: Area · Perimeter · Measurement

1. Draw a rectangle 3 cm by 5 cm. Find its area.
2. Count the squares inside a 4x4 box.
3. Perimeter of a 2 cm square = ?.
4. Measure your book and find perimeter.
5. Draw two rectangles with equal areas.
6. Find area of $6 \times 2 = ?$.
7. Perimeter of $5 + 5 + 2 + 2 = ?$.
8. Compare: which shape has more area?
9. Colour one shape that's longer but smaller in area.
10. Design a simple garden layout.

Tutoring Tip:

Use grid paper to help visualize area and perimeter clearly.
