

Grade: Grade 4 · English

Reading Non-Fiction Fluency

Focus: Fluency · Non-Fiction · Comprehension

1. What trees are in the boreal forest?
2. Where are boreal forests found?
3. What does “boreal” mean?
4. Circle words that describe trees.
5. Write one new fact you learned.
6. Draw a quick picture of a forest.
7. Why are forests important?
8. List two other forest types.
9. How can we protect forests?
10. Read aloud and time yourself for fluency.

Tutoring Tip:

Encourage students to highlight key words while reading factual texts.
