

## Grade: SK · Science

### Weather Watchers

Focus: Weather · Observation · Data Tracking

1. Draw today's weather.
2. Circle the picture for rainy weather.
3. What do you wear when it's cold?
4. Match: ☀ → Sunny, ☁ → Cloudy.
5. Count sunny days this week.
6. Which season do you like best?
7. Draw a snowman or a rainbow.
8. Circle items used on a rainy day.
9. What happens when the sun sets?
10. Fill in the chart: Sunny, Cloudy, Rainy days.

#### Tutoring Tip:

Use a classroom weather board to record daily changes and discuss patterns.
